CHINATOWN

Splendidly and genuinely oriental, this is a Chinese restaurant in the grand style. The service is commendably attentive and discreet, the menu extensive and exciting, and the cooking superb.

To make sure that your travel groups will be satisfied, we do not serve them fixed menu. Instead, we let you choose among different fish and meat dishes.

If you want something special, like a 12 course menu or a real Peking duck, just give us 1 week notice.
